A person whose primary Love Language™ is Physical Touch is, not surprisingly, very touchy. Hugs, pats on the back, and thoughtful touches on the arm—they can all be ways to show excitement, concern, care, and love. Physical presence and accessibility are crucial, while neglect or abuse can be unforgivable and destructive. Appropriate and timely touches communicate warmth, safety, and love to you.

The Love Language™ Series

**It's never too late
to start loving better.**
