Physical Touch

This Love Language™ isn't all about the bedroom. A person whose primary Love Language™ is Physical Touch is, not surprisingly, very touchy. Hugs, pats on the back, holding hands, and thoughtful touches on the arm, shoulder, or face – they can all be ways to show excitement, concern, care, and love. Physical presence and accessibility are crucial, while neglect or abuse can be unforgivable and destructive. Physical touch fosters a sense of security and belonging in any relationship.

The Love Language™ Series
**It's never too late
 to start loving better.**
