Quality Time

In the vernacular of Quality Time, nothing says “I love you” like full undivided attention. Being there for this type of person is critical, but really being there – with the TV off, fork and knife down, and all chores and tasks on standby – makes your significant other feel truly special and loved. Distractions, postponed dates, or the failure to listen can be especially hurtful. The Love Language™ of Quality Time also means sharing quality conversation and quality activities.

The Love Language™ Series
**It's never too late
 to start loving better.**
