## Receiving Gifts

Don't mistake this Love Language™ for materialism; the receiver of gifts thrives on the love, thoughtfulness, and effort behind the gift. If you speak this Love Language™, the perfect gift or gesture shows that you are known, you are cared for, and you are prized above whatever was sacrificed to bring the gift to you. A missed birthday, anniversary, or a hasty, thoughtless gift would be disastrous – so would the absence of everyday gestures. Gifts are visual representations of love and are treasured greatly.

 to start loving better.**
