This Love Language isn't all about the bedroom. A person whose primary Love Language is physical touch is, not surprisingly, very touchy. Physical touch fosters a sense of security and belonging in any relationship.

Your Needs

Hugs, pats on the back, holding hands, and thoughtful touches on the arm, shoulder, or face - they can all be ways to show excitement, concern, care, and love. Physical presence and accessibility are crucial.

What Hurts

Physical neglect or abuse can be unforgivable and destructive.

Did You Know?

There are 7 different types of physical touch. When you understand how your particular preferences and personality traits affect this, the more you'll unlock the the full power of The 5

Get deeper insights. Completely tailored to you.
